Notification

With reference to the Call for Concept Proposals under the "Chellaram Diabetes Research Centre's Innovation Grant 2021" dated 25/10/2021, altogether 29 proposals were received. All the submitted proposals were independently reviewed, assessed and scored by the Screening and Monitoring Committee for their scientific merit, novelty and translational potential, and a decision was made based on the scores given to each proposal at a meeting conducted on 23rd December, 2021 at the Chellaram Diabetes Institute, Pune. A total of eight proposals were recommended by the Committee for the submission of detailed proposals.

The detailed proposals of the recommended concept proposals should be submitted by mail at cdrc@cdi.org.in on or before 31st January 2022.

The format for submitting detailed proposals and other relevant information/formats are available at <https://chellaramresearch.org/grant-approval/>
